

WESTERN DECK

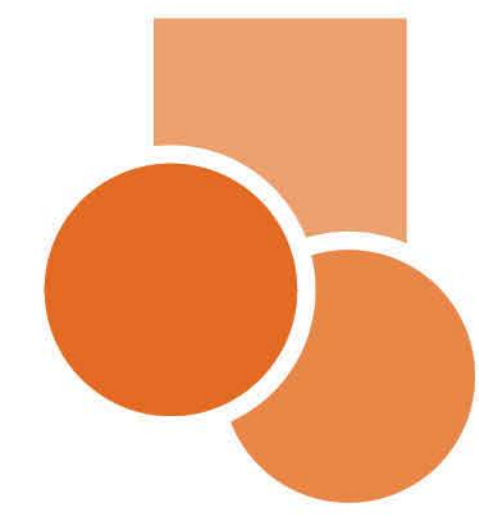

How would you locate programming on the deck's 40-acre landscape?

.75 Acres

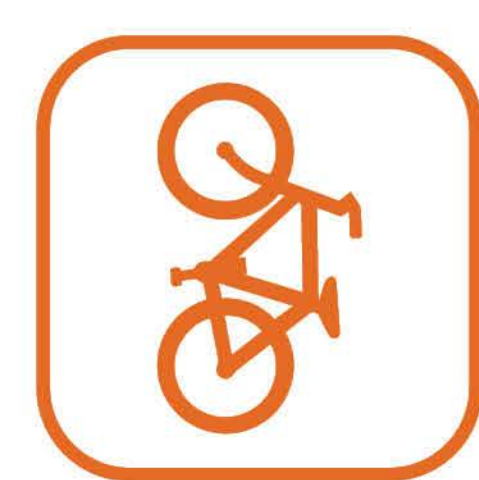

Phase One includes the following elements:

- Bike Skills Course
- Performance Space
- Picnic Areas
- Multi-Use Trails
- Stair Climb
- Children's Nature Area
- Enhanced Habitat Areas
- Interpretive Signage
- Fitness Loop

Participate in this exercise by arranging the park elements on the Western Deck. If a certain program (bike skills, habitat, etc.) is important to you, give it more space!

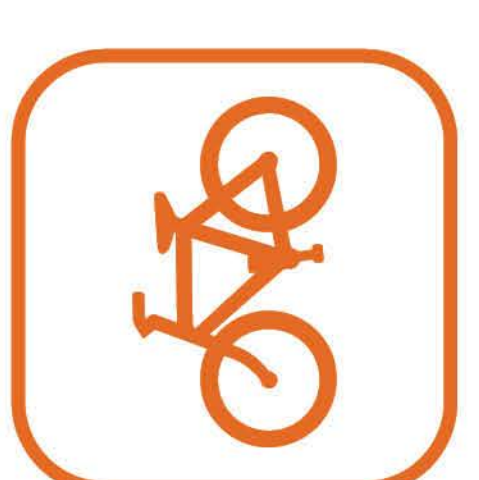

What does your design for the Western Deck look like?
 → What types of recreation should be featured on the Western Deck?
 → Should different areas of the deck blend together, or feel different?
 → How would you utilize the park when Phase One is completed?
